

THE ABACLIVE CAMBRIDGE CENTER
SERIES PRESENTS:
DR. AMBER VALENTINO

HOW SUPERVISION REVEALS THE
BEST IN US

Thursday, May 11, 2023

5:00 pm to 7:00 pm Eastern Daylight Time (New York)

The presentation recording will close on [May 25, 2023 at 11:59 pm EDT](#)

The way in which supervision is delivered and experienced can influence the quality of services behavior analysts provide, the experiences of the next generation of professionals, funding, and the general impression we make to the public. The supervision experience should be considered one that is far-reaching—above and beyond meeting a necessary requirement. Supervisors have an opportunity to ensure supervision is of the highest quality. In this 2- hour presentation, Dr. Valentino will provide recommended supervision practices that are easy to implement in practice and are designed to help elevate supervision to the next level.

Learning Objectives

After attending this event participants will be able to:

1. Identify general themes of the supervision literature
2. Select at least two supervision recommended practices
3. Select examples of two types of behavior supervisors can engage in to cultivate a strong relationship with supervisees

Presenter Bio and Disclosure

Dr. Valentino is the Chief Clinical Officer for Trumpet Behavior Health where she develops workplace culture initiatives, supports clinical services, leads all research and training activities, and builds clinical standards. Her research and clinical work span a variety of topics including verbal behavior, ways to connect the research to practice gap, professional ethics, and effective supervision. She has published several peer-reviewed research articles, invited book chapters, and she recently published a book in partnership with New Harbinger Publications titled Applied Behavior Analysis Research Made Easy: A Handbook for Practitioners Conducting Research Post-Certification. Dr. Valentino serves as an Associate Editor for Behavior Analysis in Practice and previously served as an Associate Editor for The Analysis of Verbal Behavior. She is on the editorial board for the Journal of Applied Behavior Analysis (JABA) and serves as a frequent reviewer for several behavior analytic journals. She works to support dissemination of behavior analysis to the general parent population through her personal website, behavior-mom.com.

Required Disclosure: Dr. Amber Valentino does not receive royalties or payments from any of the organizations or products mentioned during the presentation. He also does not receive speaker fees for the following presentation.
